# Correction: Mass coral bleaching in 2010 in the Southern Caribbean

The PLOS ONE Staff

Errors were introduced to Table 3 during the production process. *Mycetophyllia aliciae* and *Mycetophyll ferax* are bolded in error. ***Montastraea faveolata*** and ***Montastraea cavernosa*** are not bolded in error. The corrected version of Table 3 can be viewed [here](#). The publisher apologizes for these errors.
